COKE PLANT FULFILLS PLAN -- Trybuna Ludu, No 297, 28 Oct 49

On 20 October, the Debinske Coke Plant completed the Three-Year Plan with the production of 361,812 tons of coke. The workers pledged an additional 26,000 tons of coke before the end of the year.

FULFILLS GAS-LINE EXPANSION PLAN -- Rzeczpospolita, No 291, 22 Oct 49

The Associated Coke-Oven Gasworks in Zabrze have fulfilled their three-year investment plan for the extension of gas mains in Slask Wojewodztwo. These mains pipe coke-oven gas, hitherto unused, to industrial enterprises and residential developments.

During the Three-Year Plan, gas production has increased almost sixfold. Eight coke-oven plants are supplying the expanded network. New gas stations have been built, and special installations have been made to counteract earth vibrations produced by coal mining in the area.
